Expectations from SPOCs/Attendees

- For free AWS Starter trainings and AWS Free Trainings, you may sign up directly using the links: Starter Trainings| Udemy Trainings| Pluralsight Trainings

- For paid trainings, AWS alliance team can connect you to your preferred vendor. The charges to be funded by your BU/GBL or the staff themselves.

- For grade C and above, you may also enroll for the group-funded training and certification program called "Maia". This program is **by invite only**. For further details, please approach the Maia SPOC for your BU/ GBL- https://cglinks.tayal.fr/maia-spocs

For virtual instructor-led courses, in case of any last-minute dropouts/ no show, the seat cost still needs to be borne by BUs as our ATPs still charge Capgemini fixed price based on confirmed nominations.

Candidates who attend training are encouraged to go for certification within 45-60 days of training completion.

AWS alliance team **to be informed** about AWS certification completion at cglinks.tayal.fr/awscertvoucher-status
(we don't get this information directly from AWS due to data privacy regulations)

About Capgemini

A global leader in consulting, technology services and digital transformation, Capgemini is at the forefront of innovation to address the entire breadth of clients' opportunities in the evolving world of cloud, digital and platforms. Building on its strong 50-year heritage and deep industry-specific expertise, Capgemini enables organizations to realize their business ambitions through an array of services from strategy to operations. Capgemini is driven by the conviction that the business value of technology comes from and through people. It is a multicultural company of 200,000 team members in over 40 countries. The Group reported 2017 global revenues of EUR 12.8 billion.
